Re: *USADA v. Floyd Landis, AAA Case No. 30 190 00847 06*

Dear Mr. Young:

We are in receipt of your correspondence of April 6, 2007 indicating that you intend to have LNDD conduct the retesting of the other specimens taken from Mr. Landis during the 2006 Tour de France.

While we continue to assert our previously-made objections to that retesting, please be advised we intend upon sending observers to LNDD to monitor the retesting process if it goes forward on April 16, 2007.

Please let us know (1) the schedule for that retesting, including, specifically, the start and end of each testing day, (2) where our observers should arrive on the first day, and (3) any specific protocol for which our observers will need to be prepared.
